

## **Major shareholder buys more AS shares, boost confidence in the direction of business growth.**

29 March 2023: Asiasoft Corporation Public Company Limited announced its business growth strategy in concept "Expand the Horizons," which includes investing by SABUY Technology Public Company Limited to enhance the company's potential and purchasing additional shares from major shareholder Mr. Pramoth Sudjitporn, increasing his stake from 25.55% to 30.03% of the total shares. These actions demonstrate confidence in the company's future as it plans to enter the blockchain and MarTech industries and expand further overseas.
